

**Materials;** — Aluminium, Stainless Steel, Copper, Corten, Mild Steel, Zinc, Perforated.

**Alloy specification ((Aluminium) std);** - 1000, 3000, 5000

**Material gauges (std) ;** - Aluminium 1mm, 1.5mm, 2mm, 3mm. Steel 0.7mm, S/S 0.7mm, Copper 0.7mm, Zinc 0.7mm)

**Paint Finishes (std);** - Powder coat, Polyester, PVF2, ARS, Granit, Prisma, **Promethean**<sup>®</sup> (Imaged) \*, Anodised, Corten.

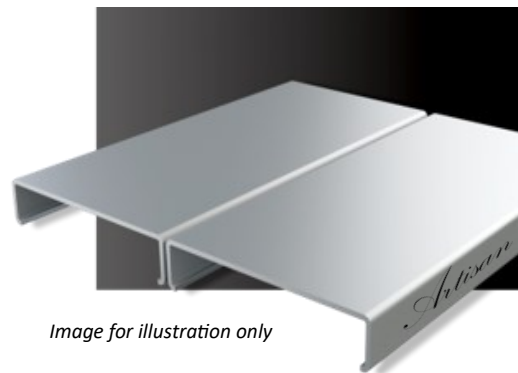

**Panel dimensions (std);** - **Width** = 100mm up to 650 mm (For flat unstiffened panel depending on substrate, gauge and required aesthetic.) 100 -300 = 1mm / 100 -550 = 2mm / 100 - 650 = 3mm.  
(Based on MCRMA recommendations for Aluminium)

**Length** = 100mm up to 4metres

**Panel thickness (std) ;** - 25mm, 35mm and 42mm. Custom sizes available on request

**Warranty period;** - Up to 40 years (subject to paint system and environmental conditions)

**Available with self cleaning shiplap 45° joint** - Yes

	<p>(Artisan Plank) (ART-PLA 25mm) (Slim plank) for materials 1mm –2mm thick</p> <p>shadow gap 5 -30mm</p> <p>Option, 130° Shiplap self cleaning joint</p>	
	<p>(Artisan Plank) (ART-PLA 42mm) (Maxi plank) for materials 1mm to 3mm thick</p> <p>Shadow gap 5 -30mm (2mm or 3mm )</p> <p>Option, 130° Shiplap self cleaning joint</p>	
	<p>(Artisan Plank) (ART-PLA 35mm )(Structural plank) for materials 1mm to 3mm +</p> <p>Shadow gap 10 -30mm (2mm or 3mm +)</p> <p>Option, 130° Shiplap self cleaning joint</p>
